

West Eden Village Improvement Society

What's Happening in West Eden & Town Hill - Winter 2006

All events take place at the Town Hill Community Hall (next to the fire station) unless otherwise specified

Monthly VIS meeting: Thursday, February 9, 7PM

Discussion of current VIS projects and new business. VIS Elections. Open to the public.

1st Annual Town Hill Winter Chili Fest (Chili Cook-off & Public Supper): Saturday, Feb 4, 5PM

Prize for best chili is \$100. Prize for people's choice is a special chili pot. Public supper includes all of the chili entries plus corn bread, chips, salsa & beverages. Sponsored by the Town Hill Market, Union Trust Bank & Rooster Brother. Public Supper Donation: \$5, free (5&under). For more information or to enter your chili into the cook-off, contact Lori @288-0172 or info@westedenvis.org.

Town Hill Community Playground Public Meeting: Saturday, March 4, 10AM

The Town Hill Playground is coming and **YOU** can help decide what to put in it! Come and let us know what you think. We will have preliminary designs of playgrounds for you to see and an equipment representative there so you can ask questions. Bring the kids, as their opinions count too! The final playground design will come from the comments made at this meeting. Don't miss your chance to shape the future playground. For more information, contact Joy Kelly @288-9499 or info@westedenvis.org.

Town Hill Community Hall Repairs/Town Hill EBS (Roof, Bell Tower, Landscaping)

This spring we will remove the old asbestos roof shingles, re-shingle the roof and restore the bell tower, as well as re-landscape the front of the building and perhaps even install a new sign. To help finance these projects, the VIS is applying for grants, holding fundraising events, and soliciting donations from the West Eden/Town Hill community. Visit the Town Hill EBS and buy a bundle of roof shingles for \$20 if you are interested in supporting the Town Hill Community Hall (old school house) repairs.

Town Hill Community Hall Research Project

The VIS is looking for volunteers to help us research the history of the Town Hill Community Hall (old school house). There are many alumni in the community that have a lot of stories to tell about attending the school house. What a gift it would be to have a comprehensive history of this historical community building!

Town Hill Ball Field

Bill Vandegrift, our new Ball Field Committee Chairman, and the Acadian Little League are working on ideas for some exciting enhancements to the ball field this spring (remove-able outfield fence and dugouts). For more information, contact Bill @288-5088.

VIS Web Site

The VIS has a new Web Site (www.westedenvis.org) that contains contact information, a calendar of events, descriptions of VIS projects and anything else you want to know about the VIS. Visit us!
